

News from Interstate Princess Jordan

Hello everybody,

Things have been very hectic in my world the last couple months but I am very excited for our WHO summer schedule to start. I haven't had a lot of extra time for my princess duties, but my schedule should free up soon with track ending soon and our State OHSET competition next weekend. I am very excited to have qualified for State OHSET in key hole, poles, team Canadian flags and I am an alternate in barrels, flags, figure 8 and birangle. Unfortunately my amazing horse Cody is healing from an accident so I will be using my new horse Copper for State.

I want to thank everybody that has already helped Interstate by sponsoring me and I am looking forward to getting many more sponsorships in the next couple months. To help raise money for Interstate, I will have a snack table at most or all of the outdoor shows this summer. I will also have several raffle items throughout the year to help out. I would like to thank Gary and Robin Estes in advance for hosting my Princess benefit show on the weekend of June 26th and 27th. There will be a concession stand consisting of hamburgers, hotdogs, drinks and many other munchies for you. We are also looking into renting the local indoor swimming pool (hot tub included) Saturday night for everybody to use. I hope you can join us for the weekend, it's going to be a great time.

Don't forget that you can have your camping and stall paid for at Interstate if you collect or sponsor at least \$200.00. You can either get the form at the interstategames.com website under the royalty tab or contact me at withcody_dreamscometrue@hotmail.com and I can get you signed up.

See you all soon,

2010 Interstate Princess Jordan Duty
